CONFIGURATIONS

Cargo (Empty) The basic empty van makes a great transportation solution for the production department, art department, props, costumes, etc. An included 6' foldable ramp makes for easy loading/unloading.	\$150
2-Row Crew (5 Seats) This configuration leaves 6 feet of open cargo space behind the 2nd row seat for camera, lighting, sound, production supplies, etc. while still being able to transport 5 crew members in comfort.	\$150
3-Row Passenger (8 Seats) The 3 row passenger configuration adds second and third row seating leaving 4 feet of open cargo space in the rear of the van. This is a great option for transporting up to 8 crew members.	\$150
Desk/DIT Package (COMING SOON) The Desk/DIT configuration adds a desk to the cargo space in the van for DIT, a production office, on-set grading/ editing or even camera prep. 120v outlets connected to a 2000 watt inverter & generator combination allow for use of laptops, printer, monitors, etc. while driving or stationary.	\$250
Magliner Grip Package w/ VAN The Magliner Grip Package configuration adds a very basic grip package to the 2 Row Passenger configuration. Perfect for the traveling crew flying into Wichita or the crew traveling from Wichita to remote locations. Seats 5 crew members comfortably.	\$275
Basic Taco Grip Package w/ VAN The Basic Taco Grip Package configuration adds a an interview sized grip package to the 2 Row Passenger configuration. Perfect for the traveling crew flying into Wichita or the crew traveling from Wichita to remote locations. Seats 5 crew members comfortably.	\$325
Taco Supreme Grip Package w/ VAN The Taco Supreme Grip Package configuration adds an interview sized grip package plus a 6' overhead kit to the 2 Row Passenger configuration. Perfect for the traveling crew flying into Wichita or the crew traveling from Wichita to remote locations. Seats 5 crew members comfortably.	\$350
